1 Identification of substance/preparation and company

Product name

Type GA (Cured Product)

Supplier

GT Electrotechnical Products GmbH
Kupferschmidstraße 86
79761 Waldshut-Tiengen/Germany
Tel.: +49 77 41/92 25-0
Fax: +49 77 41/92 25 29

Contact numbers

Dr. Daniel Georg Weis, Tel.: +49 77 41/92 25-14

Emergency telephone numbers

Revere supplier or the next toxic information centre, e.g. Berlin, Tel.: +49 30 / 30 35-34 66

2 Hazards Identification

Human Health Hazards

–

Safety hazard

–

Environmental hazards

Product is not biodegradable.

3 Composition /Information on Ingredients

EG- number:

n.a.

Preparation Description:

Ingredients

Polyurethane

Dangerous components

CAS-Nr.: –

Identification: –

EINECS-Nr.: –

Additional Information: –

4 First Aid Measures

After inhalation

–

After skin-contact

–

After eye-contact

–

After ingestion

–

Advice to physicians

printing date: 03.12.09

Page: 2/4

5 Fire Fighting Measures

Extinguishing media

Foam, dry chemical powder, carbon dioxide, sand or earth

Specific hazard

None

Special equipment

None

6 Accidental Release Measures

Personal precautions

–

Environmental precautions

–

Additional information

None

7 Handling and storage

Handling:

Advice for safe handling

No special measures to be taken.

Storage:

Requirements to storage area and containers

No special measures to be taken.

Advice for storing with other materials

Do not store with strong oxidising agents.

Classification

n.a.

Recommended materials

Metal containers.

8 Exposure controls / Personal protection

Engineering control measures

None (reverse point 7).

Occupational exposure standards

None

Personal equipment:

Respiratory protection

–

Hand protection

–

Eye protection

–

Body protection

–

9 Physical and Chemical properties

Form

Solid

Colour

Beige or coloured

Electrotechnical Products

Safety Data Sheet

91/155/EWG

SDS GT Type GA Cured
Issuing date: 19.11.06
(replaces previous issue)
printing date: 03.12.09

Page: 3/4

	Value / Range	Method
pH-	n.a	
Change of physical state:		
Pour point		DIN ISO 3016
Boiling point	decomposition	
Flashpoint	> 200 °C	DIN ISO 2592
Density	1.4 g/cm ³	DIN 51757 D
Solubility in water	insoluble	

10 Stability/Reactivity

Stability

Stable under normal use conditions.

Materials to avoid

–

Hazardous decompositions products

Hazardous decomposition products are not expected to form during normal handling and storage.

Additional Information

None

11 Toxicological Information

Acute toxicity:

–

Specific symptomatic results:

Skin

–

Eyes

–

Sensitisation

Not known.

Prolonged and/or repeated contact

–

Carcinogenicity

Not known.

12 Ecological information

Degradation

Product is not biodegradable.

Partitioning

Product doesn't float on water.

Product is solid.

Ecotoxicity

13 Disposal Considerations

Product:

Precautions

It may be disposed as household garbage.

EWC-No.: 07 02 08

--	--	---

14 Transport information

Transport/additional Information

Not dangerous for conveyance under UN, IMO, ADR/RID und IATA/ICAO.

15 Regulatory Information

EC classification

Not classified as dangerous under EC criteria.

National Regulations:

Classification according to GefStoffV. § 35

Not classified.

Classification according to Störfallverordnung

Not classified.

Classification according to VbF

Not classified.

Classification according to Technische Anleitung Luft

Klasse 3 (organic)

Wassergefährdungsklasse

WGK 0 (not dangerous)

Additional regularitis

None

16 Other information

This information is based on our current knowledge and is intended to describe the product for the purposes of health, safety and environmental requirements only. Therefore it should not be construed as guaranteeing any specific property of the product.
